

New Year // New Man

With Keith Peeler - Discussion Questions

Conversation prompts:

1. Do you have men in your life that you actually share with? Real men, real talk? Actually sharing what you really struggle with.
2. Do you have something that you are afraid to bring to God and/or others? Why do you think you are holding on to this?
3. What do you think intimacy is? What do you think about Keith's comment that "intimacy is an act of war?"
4. Do you actually believe that the blood of Jesus has power over your sin and brokenness?
5. What lies in your head are keeping you from hearing this message today?
6. In the group, take turns and pray this blessing prayer over one another. Read it out loud over the person to your right and then keep the blessing going until everyone has received the prayer. ***READ "In the name of Jesus, (say their name) is a son of the Most High King. I declare that the truth of the word of God, and the power of the Spirit, has dominion over all dark forces that come against him and we command them to flee in Jesus' name. He is a man of God, designed for intimacy in prayer. He is designed for closeness with His Father in heaven and with loved ones in his life. (Say their name), I bless you to be filled with the power of the Holy Spirit. I bless your ears to be open to hear God, I bless your heart to be open to the healing power of Jesus' blood, and I bless your mind to be filled with wisdom, power, and authority in the name of Jesus. Amen"***
