***“Because of God’s grace to me, I have laid the foundation like an expert builder. Now others are building on it. But whoever is building on this foundation must be very careful. For no one can lay any foundation other than the one we already have—Jesus Christ. Anyone who builds on that foundation may use a variety of materials—gold, silver, jewels, wood, hay, or straw. But on the judgment day, fire will reveal what kind of work each builder has done. The fire will show if a person’s work has any value. If the work survives, that builder will receive a reward. But if the work is burned up, the builder will suffer great loss. The builder will be saved, but like someone barely escaping through a wall of flames.” 1 Corinthians 3:10-15 MSG***

***“These words I speak to you are not incidental additions to your life, homeowner improvements to your standard of living. They are foundational words, words to build a life on. If you work these words into your life, you are like a smart carpenter who built his house on solid rock. Rain poured down, the river flooded, a tornado hit—but nothing moved that house. It was fixed to the rock. But if you just use my words in Bible studies and don’t work them into your life, you are like a stupid carpenter who built his house on the sandy beach. When a storm rolled in and the waves came up, it collapsed like a house of cards.” Matthew 7:24-27 MSG***
